The Code of Practice also applies to the expert witness appointed in the arbitration proceedings administered by the Chamber of Arbitration.

## **ART. 2 - ARBITRATOR APPOINTED BY THE PARTY**

A party-appointed arbitrator, who shall be bound by all the duties set forth in this Code of Practice in all phases of the proceedings, may consult the party or its counsel regarding the appointment of the Chairman of the Arbitration Tribunal, when asked to make such appointment. The indications of the party are not binding on the arbitrator.

## **ART. 5 – IMPARTIALITY**

**ART. 6 - INDEPENDENCE**

When accepting the appointment the arbitrator shall objectively be in a situation of absolute independence. He/she shall remain independent throughout all phases of the proceedings and even after the filing of the award, for the period during which appeal against the award may be brought.

**ART. 7 – STATEMENT OF IMPARTIALITY AND INDEPENDENCE**

In order to guarantee his/her impartiality and independence, when accepting the appointment the arbitrator shall supply the written statement required by the Rules of the Chamber of Arbitration. All doubts regarding whether or not it is expedient to disclose a fact, circumstance or relationship shall be resolved in favour of disclosure.

Where facts, circumstances or relationships that ought to have been disclosed are subsequently discovered, the Chamber of Arbitration may decide that there are grounds for replacing the arbitrator, even automatically, in the course of the proceedings, or for not confirming the appointment in other proceedings.

**ART. 8 – PERFORMANCE OF THE PROCEEDINGS**

The arbitrator shall foster a thorough and rapid performance of the proceedings. More specifically, he/she shall decide on the date and manner of the hearings so as to ensure the equal treatment of all parties and compliance with the due process of law.

**ART. 9 – UNILATERAL COMMUNICATIONS**

In all phases of the proceedings the arbitrator shall avoid any unilateral communications with any individual party or its counsel of which the Chamber of Arbitration is not immediately notified so that it can inform the other parties and the other arbitrators.

**ART. 10 - SETTLEMENT**

The arbitrator may at any stage suggest to the parties that a settlement or conciliation of the dispute is advisable, but may not influence their decision by indicating that he/she has already reached a decision on the outcome of the proceedings on the matter.

**ART. 11 – DELIBERATION OF THE AWARD**

The arbitrator shall refrain from any obstructive or non-collaborative behaviour and ensure prompt participation in the phase of deliberation of the award. He/she continues to be free to decide not to sign the award where the decision is taken by majority vote of the Arbitration Tribunal.

The arbitrator shall avoid unnecessary expenses that can increase the costs of the proceedings in an unjustified manner.

## **ART. 13 – INFRINGEMENT OF THE CODE OF PRACTICE**

Any arbitrator who fails to comply with this Code of Practice shall be replaced, even automatically, by the Chamber of Arbitration which, following the infringement, may also refuse to confirm him/her in other proceedings.
